40 HOURS OF FIELDWORK

The student must complete a minimum of 40 hours of **verifiable** field experience or research in an educational setting. This requirement may be satisfied in any combination of the following to reach a total of 40 hours:

A. Complete field experience hours through UCI courses. The number of fieldwork hours in a course **must** be verified by the course syllabus or by a fieldwork verification form signed by the instructor.

B. Complete education-related research in conjunction with Education 198. The number of fieldwork hours **must** be verified by the course syllabus or by a fieldwork verification form signed by the instructor.

C. Petition and receive approval for fieldwork hours completed during a student's tenure at UCI that are independent of any courses (e.g. tutoring experience, instructional experience in a summer program or after-school for children). The number of fieldwork hours **must** be verified by a fieldwork verification letter signed by a supervisor.

Fieldwork verification forms are available online at www.education.uci.edu
