

Education Sciences, B.A. Specializations

Specializations within the Education Sciences major are for the 2014-2019 academic years only. Specializations will no longer be offered in 2020-2021 and beyond. Notes about completing a specialization:

- Specializations as part of the major in Education Sciences are optional.
- Up to 2 specializations may be completed.
- Up to 2 courses may be shared between specializations.
- All courses and fieldwork hours completed for specializations will count for Education Sciences major requirements.
- This checklist is for informational purposes only. Please refer to the UCI General Catalogue for additional policies on specializations (catalogue.uci.edu)
