

EMPHASIS IN OUT OF SCHOOL LEARNING

RELEVANT COURSES

- EDUC 131: Educational Technology
- EDUC 132: Reading & Writing Enrichment for After-School Programs
- EDUC 157: Educational Research & Evaluation
- EDUC 160: Foundations of Out-of-School Learning
- EDUC 161: Discovering Science in Out-of-School Hours
- EDUC 190: Principles & Practices of K-6 After School Sports & Fitness
- EDUC 191: Advanced Fieldwork in After-School Education

OVERVIEW

This emphasis will prepare students for working with children and youth in out-of-school and summer settings. Students will be able to apply practical skills and research-based theories in youth development and program design to their experiences observing and working with children, youth, and staff.

CAREER PATHWAYS

- After-school educator
- Athletic Coach
- Child/Youth Activity Coach
- After-School Program Director
- Summer Program Coordinator
- Program evaluator

(Some of these careers require additional specialized graduate coursework.)
